

aims of the association

The Landscape Association of South Australia Inc aims:

- To represent and promote the Landscape Industry of South Australia.
- To bring together people in the Landscape and allied industries for mutual advantage and co-operation.
- To encourage and foster environmental responsibility in all aspects of the Landscape Industry.
- To foster the improvement of the business and technical skills of LASA Members.
- To create demand for services and products of LASA members.
- To create cost savings for LASA members.
- To encourage adherence to the LASA Code of Conduct.
